

Sealions season will run from Tuesday, May 28th to Friday, June 28, 2023.

We will hold early morning practices Monday through Friday with 1-30 min session for our youngest/least experienced swimmers, 1-45 min session, and 2-1 hour sessions according to ability. Please indicate any schedule conflicts or ride sharing on your registration form, please be specific about the conflict. We will do our best to accommodate, please keep in mind that we will have upwards of 150 swimmers and will not necessarily be able to place "friends" together for practices.

The final practice schedule will be posted when registration is completed.

Practices will be held at Lansing High School Natatorium. We will assemble at the North of the Pool near door number 5, in the grassy area.

### Used Swim Suit Swap Box

We do have some used suits available at the pool for anyone who wants them, first come first serve. If you have a serviceable team suit that you want to donate, you can drop it off at the pool during lap swim. You can look at suits during lap swim starting on April 8th, 2024
