

# **D0469 - Lansing**

## **High School Wellness Policies**

D0469 - Lansing is committed to providing school environments that promote and protect children's health, well-being and ability to learn by supporting healthy eating, nutrition education, physical activity and integrated school based wellness. Therefore, it is the policy of D0469 - Lansing that:

### **Policies in Place**

#### **Nutrition**

##### General Guidelines

Substitutions are provided for students with medical disabilities identified by a licensed physician that require meal modifications per the signed Meal Modification Form.

The food service area is clean, orderly, and has an inviting atmosphere.

All school food service personnel receive required food safety training at a minimum of every 5 years. Continuing education training for all food service personnel meets federal and state requirements.

The dining area has seating to accommodate all students during each serving period.

High School: Closed campus. Students must remain at school during lunch periods.

The dining area has adult supervision.

The dining area has food service personnel and supervisory staff use positive communication cues with students to promote consumption of foods served as part of Child Nutrition Programs.

The students are allowed to converse with one another at least part of the meal time.

Mealtime conversation is not prohibited for the entire meal time as disciplinary action.

Reimbursable meals and/or parts of a reimbursable meal are not withheld or denied as a disciplinary action.

One "Smarter Lunchroom" or a Behavioral Economics technique is used on the serving line to encourage healthy choices by students.

Two "Smarter Lunchroom" or Behavioral Economics techniques are used on the serving line to encourage healthy choices by students.

Three "Smarter Lunchroom" or Behavioral Economics techniques are used on the serving line to encourage healthy choices by students.

Identify content of reimbursable lunch and breakfast near or at the beginning of the serving line(s).

Serve a locally procured product in the school meals program at least one time per week.

##### Breakfast

All school breakfasts comply with USDA regulations and state policies.

At least three different fruits are offered each week on three different days. At least one fruit per week is served fresh.

At least five different fruits are offered each week. At least two fruits per week are to be served fresh.

Students have at least 10 minutes "seat time" to eat breakfast (not including time spent walking to and from class or waiting in line).

Students have at least 15 minutes "seat time" to eat breakfast (not including time spent walking to and from class or waiting in line).

## **Nutrition**

### **Lunch**

All school lunches comply with USDA regulations and state policies.

At least three different fruits are offered each week. Two fruits per week are served fresh.

At least five different fruits are offered each week. Four fruits per week are served fresh.

Students have at least 15 minutes "seat time" to eat lunch not including time spent walking to/from class or waiting in line.

Students have at least 20 minutes "seat time" to eat lunch not including time spent walking to/from class or waiting in line.

### **All Food Sold in Schools**

No energy drinks are sold on school property from midnight before to 30 minutes after the end of the official school day.

USDA's Smart Snacks in School Beverage Standards for middle schools apply to high school (only 100% juice, water, milk).

### **During the School Day**

Students have access to free drinking water throughout the school day, including during meal service. Hygiene standards for all methods delivering drinking water will be maintained.

Students are allowed to have clear/translucent individual water bottles in the classroom.

Fundraising within the school day meets "All Foods Sold in Schools" Standards (sans the exempted fundraisers).

Fundraising activities involving the sale of food or beverages that meet "All Foods Sold in Schools" Standards and/or exempted fundraisers will not take place until after the end of last lunch period.

Meals purchased at fast food outlet to be consumed at school must not be brought to school in their original containers. Caffeinated beverages are not allowed in sack lunches to be consumed in the cafeteria. (High School)

## **Nutrition Education**

### **Nutrition Promotion**

School promotes participation in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) if applicable and to choose nutritious foods and beverages throughout the day. Menus are posted on school website and/or distributed to families via another method.

Students provide input on foods offered in the cafeteria.

Allow marketing (oral, written, or graphics) of only those foods and beverages sold on the school campus during the school day that meet the requirements set forth in the Smart Snacks Rule.

Allow marketing (oral, written, or graphics) of only those foods and beverages that meet the requirements set forth in the Smart Snacks Rule on the school campus at all times.

### **Nutrition Education**

All students in grades K-12, including those with disabilities, special health care needs and in alternative education settings, will have the opportunity to participate in culturally relevant participatory activities and a variety of learning experiences that support development of healthful eating habits that are based on the most recent Dietary Guidelines for Americans and evidence-based information.

Include nutrition education as part of health education classes and/or stand-alone courses for all grade levels, including curricula that promote skill development.

## **Physical Activity**

### **General Guidelines**

All students in grades K - 12, including those with disabilities, special health care needs and in alternative education settings, have the opportunity to participate in moderate to vigorous physical activity at least 2 times per week during the entire school year.

All students in grades K - 12, including those with disabilities, special health care needs and in alternative education settings, have the opportunity to participate in moderate to vigorous physical activity 3 or more times per week during the entire school year.

Physical activity facilities in and on school property are safe with sufficient age-appropriate equipment for all students, including those with disabilities. Adequate adult supervision is provided.

School offers lifetime physical activity that teaches basic motor skills, enhances knowledge of concepts related to movement needed to achieve and maintain health. Students learn the benefits of and an appreciation for regular physical activity.

### **Throughout the Day**

Structured physical activity opportunities, in addition to physical education and recess (where applicable), are encouraged for all students.

Structured physical activity opportunities, in addition to physical education and recess (where applicable), are offered to all students at least 1 time daily. School staff are encouraged to participate.

Structured physical activity opportunities, in addition to physical education and recess (where applicable), are offered to all students at least 2 times daily. School staff are encouraged to participate.

### **Physical Education**

The physical education curriculum is sequential and consistent with Kansas State Board of Education approved physical education teaching standards for pre-kindergarten through grade 12.

High school students are provided structured physical education in at least 1 course required for graduation.

Physical education curriculum encourages a multi-dimensional fitness assessment.

Physical education is taught by teachers licensed by the Kansas State Department of Education.

Physical education teachers participate in physical education and/or physical activity specific professional development every 2 years.

Physical education teachers have advanced certification and/or education.

### **Before & After School**

Extracurricular physical activity programs, such as a physical activity club or intramural programs, are offered.

### **Family & Community**

Community members are provided access to the school's outdoor physical activity facilities.

Community members are provided access to the school's indoor and outdoor physical activity facilities at specified hours.

Community members are made aware of opportunities to access the school's indoor and outdoor physical activity facilities at specified hours.

## **Integrated School Based Wellness**

### **General Guidelines**

Annual staff wellness activities and/or professional development opportunities related to nutrition, physical activity and abstaining from tobacco are provided to encourage school staff to serve as healthy role models. Staff wellness activities and training may also include additional components of the Whole School, Whole Community, Whole Child Model.

The local school wellness policy team meets at least twice per year.

## **Integrated School Based Wellness**

### General Guidelines

The school wellness policy and progress toward meeting the State Model Wellness Policy are made available to the public, including parents, students and the community.

# **D0469 - Lansing**

## **High School Wellness Policies**

The following Wellness Policies are in the process of being developed:

### **Developing Policies**

#### **Physical Activity**

##### Throughout the Day

Professional development on integrating physical activity into core/non-core subjects is provided to all staff.

The following students, parents, classroom teachers, food service professionals, physical education teachers, health professionals, administrators, school board members and other interested community members are engaged in developing, implementing, monitoring, reviewing and making the district wide wellness policies available to the public:

Jennifer Zule, Chairperson

Jennifer Lingenfelter

Jenny Chmidling

Shawna Dutton
