

LHS SITE COUNCIL MEETING MINUTES

Wednesday, May 5, 2021 @ 5:30PM

Meeting Held via Zoom

1. Call to Order at 5:30PM

*Roll Call - Rob McKim, Sharon Burns, Christina Hoverson, Stephanie Edwards, Janelle Moburg, Teena Barber, Renee Maestas, Marsha Jaskowiec, Lisa Hope, Christy Kotzman, Kristie Wessel, Erin Foster, Kyla Dominick, Erin Cecil

2. Approval of Minutes from April 2021 meeting: Motion to approve by Sharon Burns and seconded by Lisa Hope. Approved unanimously.

3. Old Business:

- Sharon will send out a sign-up genius for Teacher Appreciation Coffee on May 21st. Coffee and promotional flyers will be provided by 10 & 2 Coffee Shop. We discussed including water, small wrapped snack/breakfast items, sugars/creamer, chocolates and gum, etc. Gift cards and small gifts will be given out as well. Stickers will be placed on the bottom of the winner's cups. Site Council members will set this up on tables in the Commons and it will be available right after the staff meeting. Mr. McKim will mention this in the meeting agenda.

4. Principal's Time:

- Planning on an Open House after school begins. Did not host this event last year due to COVID. Site Council will be mentioned that evening, as well as an e-mail, and a sign-up sheet will be available in the office. Meeting should be held in person next year. Recruiting from incoming freshman parents was also discussed.
- Graduation is scheduled for June 5th. A recent student survey showed that 85% of students wanted an outdoor graduation. It will move inside in case of inclement weather. Band and choir will also attend. Students will likely be given 8 tickets each. A final decision will be made closer to graduation. Senior awards night will take place the week before graduation. The car parade will take place after graduation practice on June 4 at 1PM. Other senior activities are scheduled as well.
- The HS will likely return to the same schedule it used before COVID. It will include block days on Wednesday and Thursday. Thursday will be a district wide late start. Students will start school one hour later on those days. Feedback from members and parents about block time was positive. It allowed more time for classwork, labs, etc. Masks in buildings will be decided by the school board closer to school beginning.

5. **New Business:**

- The Site Council will meet for the first time next school year in September or early October. Meetings will occur on the first Wednesday of the month. The by-laws state that we should meet 6 times per school year. Officers will be decided at the first meeting.
- The class/course book is now on the website. It was mentioned that it would be helpful to notify parents. This is especially important come enrollment time.
- Feedback was solicited for the possibility of moving CCR to the end of the day. Site Council members were in favor so that students would miss less class time if pulled for appointments or sports/activities at the end of the day. Students are also tired by the end of the day. Also asked about opinions on early release Friday's for students with perfect attendance that week and no discipline referrals, as well as good grades. This could be tracked through CCR class. Might be a motivator for some students. This would have to be approved through PLC's and then the school board.

6. **Adjourned at 6:29** - Motion to adjourn by Stephanie Edwards and seconded by Christy Kotzman. Approved unanimously. Next meeting is May 5th at 5:30 via Zoom.

Respectfully submitted,
Marsha Jaskowiec, Secretary
MS/HS Library Assistant
