

Become a permanent part of Lansing High History!

In 2016 Lansing High School started a new senior tradition with the move into the new building. The Prides of the Past Project was created to memorialize the accomplishment of Lansing High School Graduates. It started with the class of 2016 and 2017 writing on bricks with special markers. The two pads for these classes can be viewed at the North end of the football stadium (please do not walk on them as it causes the markings to come off). In 2018 we stepped up our game and offered graduates the opportunity to purchase laser

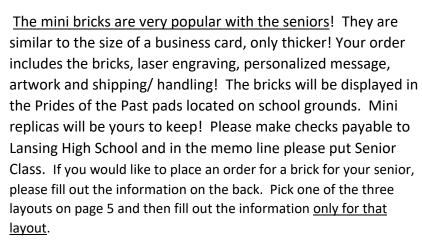

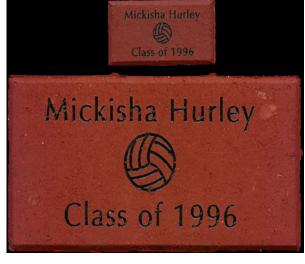

engraved, lifetime warranty bricks. For the class of 2020 we will be ordering 4"x 8" regimental red bricks that you can have laser engraved with your own personalized message for your senior or by your senior. Artwork is also available.

ALL ORDERS ARE DUE BY 3/10/2020

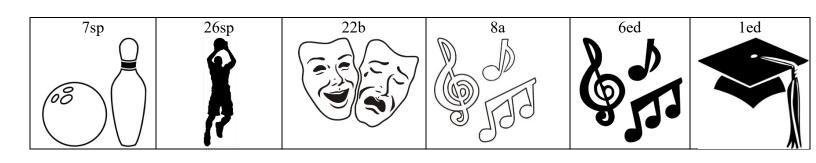

The cost of the bricks will be \$40. With this price you will receive:

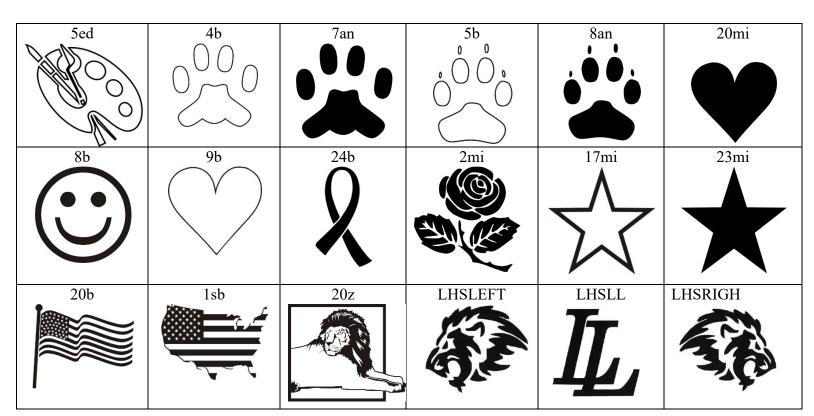

- 1. 4 x 8 brick (this will be placed in the Prides of the Past)
- 2. 1.5 x 3.6 mini replica brick (yours to keep)

You may only put one Clipart picture per brick ordered
