In 2018, the KSHSAA created the Kansas State High School Activities Association Performing Arts School of Excellence Award which is modeled from the NFHS National Award. This award is a way to celebrate the performing arts through the tremendous work of our school districts, high schools, performing arts departments, directors, coaches, sponsors, parents and of course our wonderful students.

**Congratulations!** Your high school has been chosen as one of two high schools in Kansas to receive recognition as a 2020 Performing Arts School of Excellence by the Kansas State High School Activities Association (KSHSAA).

The KSHSAA reached out to the Kansas Music Educators Association (KMEA), the Kansas Speech Communication Association (KSCA), and the Kansas Thespians. A committee of two members of leadership from each association for a total of six persons met in July, 2020 to discuss numerous high schools that scored exceptionally high in debate, speech, music and theater over the past year. After a few hours of deliberations, the committee and the KSHSAA chose one winner and one finalist high school from across our great state. Each of the two schools are being recognized with a certificate from the KSHSAA.

**The two schools recognized are:**

**Winner:** Sterling High School

**Finalist:** Lansing High School

Once again, congratulations on being selected as a **Finalist** of the KSHSAA Performing Arts School of Excellence. BRAVO!

Sincerely,

Bill Faflick, KSHSAA Executive Director

Craig Manteuffel, Assistant Executive Director of Performing Arts
